# Seeking Justice in an Unjust World

Learn to do right!  
Seek justice, encourage  
the oppressed. Defend the  
cause of the fatherless,  
plead the case of the  
widow.

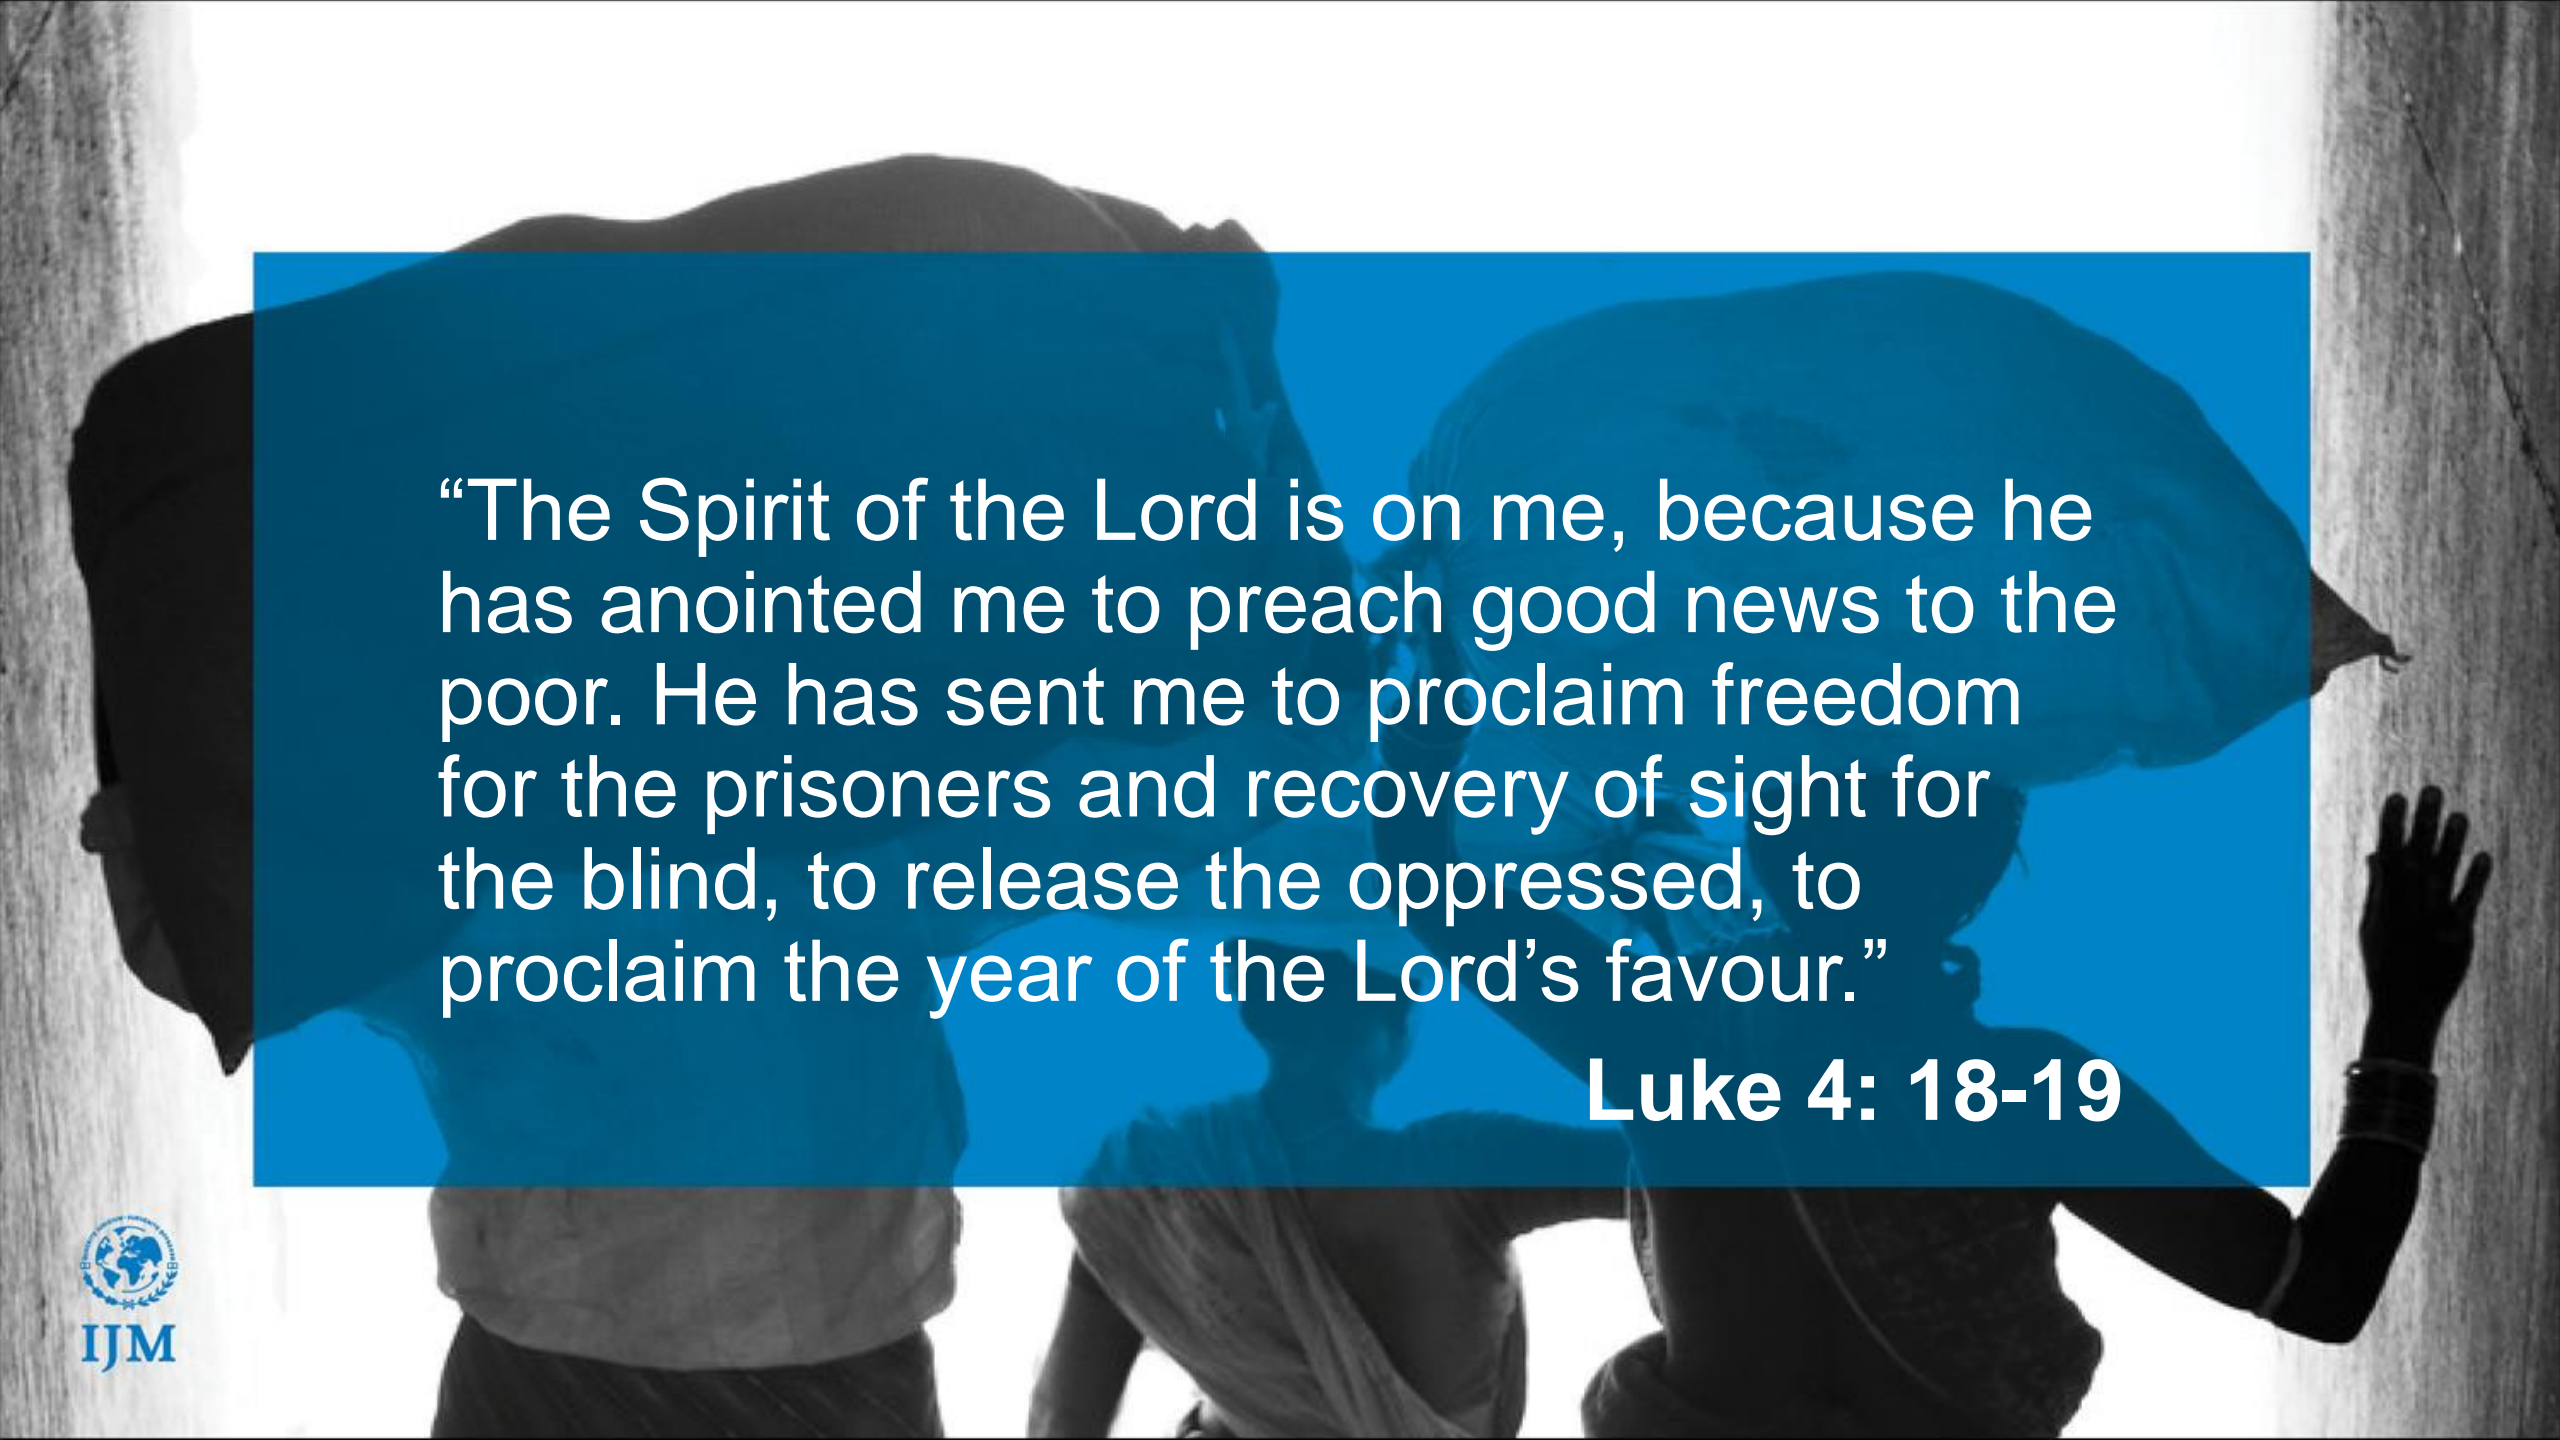

Isaiah 1:17

The journey towards justice begins by seeing the world beyond our own experience.

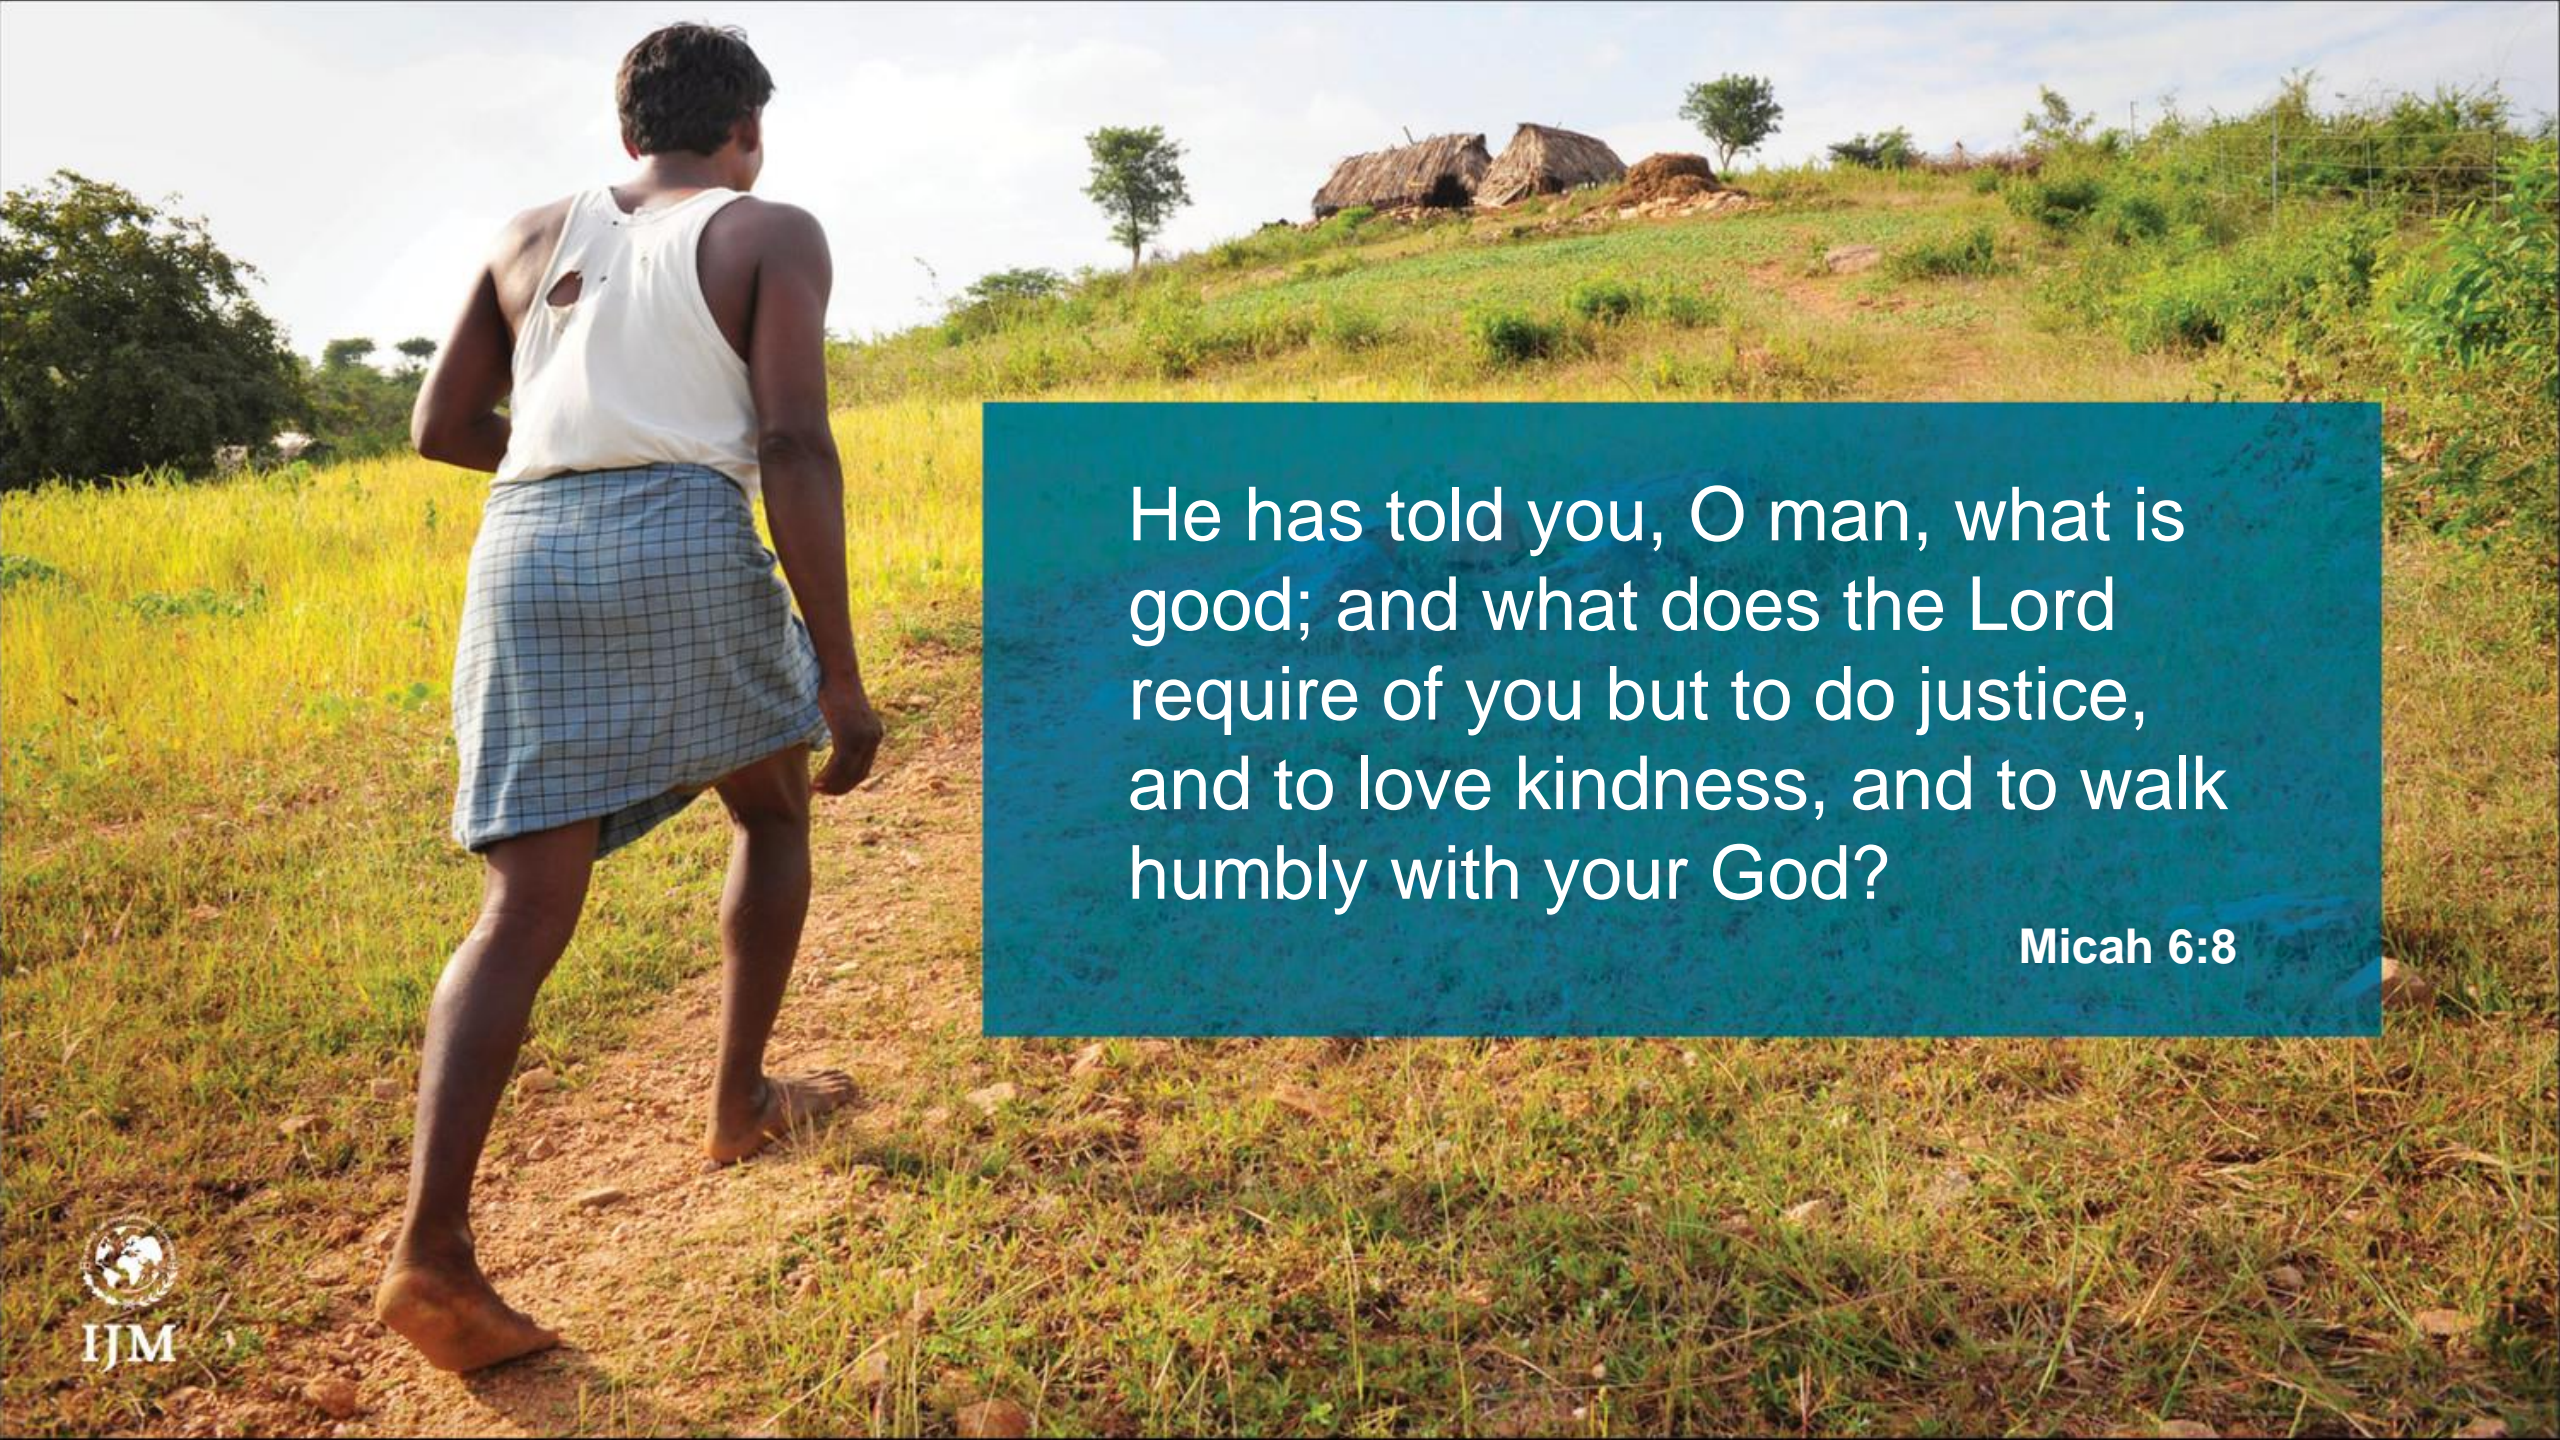

Seeking justice  
is part of  
**God's mission**  
in the world.

The background of the slide features silhouettes of several people standing in a doorway, looking out towards a bright light. A large, semi-transparent blue rectangle is overlaid on the center of the image, containing white text. The text is a quote from the Bible, specifically Luke 4:18-19, which describes the mission of Jesus as proclaimed by the Holy Spirit.

“The Spirit of the Lord is on me, because he has anointed me to preach good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to release the oppressed, to proclaim the year of the Lord’s favour.”

**Luke 4: 18-19**

He has told you, O man, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?

Micah 6:8

Woe to you, teachers of the law and Pharisees, you hypocrites! You give a tenth of your spices — mint, dill and cumin. But you neglected the more important matters of the law — **JUSTICE, MERCY** and **FAITHFULNESS**. You should have practiced the latter, without neglecting the former.

**Matthew 23:23**

# Walk Humbly with God

Many people suffer  
because they are  
**ALIENATED** from God.

# Love Mercy

Many people suffer  
because they are  
**DEPRIVED** of the  
necessities of life.

# Act Justly

Many people suffer  
because they have an

**Oppression**  
has a face.

Over  
40 million people  
are held as slaves.

“All that is necessary  
for the triumph of evil is  
that good men do  
nothing.”

When the good do something,  
children are rescued.

When the good do something,  
**communities are transformed.**

“Victims of injustice do not need our spasm of passion. They need our long obedience in the same direction. They need our legs and lungs of endurance.”
